Epson **TM-T70II Series**

No.1 EUROPE'S LEADING POS PRINTER MANUFACTURER*
*Source: Interconnection Consulting 2013

The reliable thermal POS printer with full front operation that can be easily placed under the counter, thanks to its compact design

The TM-T70II is the reliable thermal receipt printer that can be fully operated from the front, thanks to its front paper loading. With a small footprint, and accessible button controls, it conveniently sits under your counter, while its fast 250mm per second print speed and margin-less printing allow you to serve your customers quickly – without having to replace paper rolls quite so often.

Easy-to-use
Ideal for restaurants, retailers and the hospitality industry, this POS receipt printer conveniently sits underneath your counter, as it is the same height as most cash drawers, and saves you valuable desktop space. Combined with a wide range of connectivity options (USB, Ethernet and Wi-Fi) this receipt printer offers you the flexibility to set up and operate wherever is most convenient for you. Wires and cables are also protected from accidental spillages thanks to the optional protective.

Long-lasting
This receipt printer is ideal for busy environments that demand consistent, high volume printing. It features an improved printing mechanism life of up to 17 million lines, as well as a printhead life cycle of 120km and auto cutter that can carry on working for up to 1.7 million transactions.

Save money
With the margin-less paper saving function, you can print receipts right up to the edge. This helps save you money, as you are able to print more receipts per roll, and can be an effective eco-friendly addition to your business.
